

CDL CLASS A DRIVER/LABORER JOB POSTING

We are actively seeking CDL Class A Driver/Laborer to join our team. This position will assist transporting various drill rigs, water trucks, support trucks, etc. Daily tasks include, but not limited to: driving a water or support truck; site preparations; and vehicle maintenance. This position offers opportunities to grow through company-paid professional development at vocational schools and on-the-job training.

If you are passionate about progress, learning, collaboration, and teamwork, connect with us at info@ykdrilling.com.

Position Requirements:

Education & Experience:

- High school diploma or equivalent (minimum)

Licenses & Registrations:

- Valid US Driver's license and able to obtain vehicle insurance.
- CDL (Commercial Driver's License) Class A required.
- Company-paid safety training within 3 months of hire: First aid & CPR, 10 hour OSHA, 40-hour HAZWOPER.

Physical Demands:

- Lift and move items that weigh up to 50 pounds, and perform various other tasks that require moderate physical exertion (e.g. setting up traffic control equipment, loading/unloading trucks, etc.).
- Comfortable working outdoors.
- Climb up and down ladders; work on elevated platforms, work in remote areas, and uneven grounds.

Other Expectations:

- Ability to obtain base access pass and security clearance to access government and military restricted areas.
- Flexibility to work more than 8 hours per day and/or 40 hours per week; and occasionally work during night shifts, weekends and holidays.
- Ability to commute to, and work on, the various Hawaiian Islands and other locations in the Pacific (e.g. American Samoa, Guam, Saipan, etc.).
